

Legend

- 1 Meter type: (name)
- 2 Code identifier
- 3 Display quantity

The code in BOX 2 tells what is displayed in BOX 3

Ex. BOX 2 shows "003", BOX 3 displays "Total kWh's"

Code	Description of reading
888	Display test
0	Time of day (Military time)
1	Day of week
2	Date
3	Total kWh
4	On-peak kWh (Rate A)
5	Off-peak kWh (Rate C)
7	Super off-peak kWh (Rate D - EV price plan only)
10	Maximum kW – This is the maximum average load for the day taken over a 15 or 30-minute interval, depending on your price plan.
